

Ref.U-12021/01/2022-MEC

Dated: 11-08-2022

NOTICE

Medical Counselling Committee (MCC) of DGHS is receiving many e mails from PwD candidates regarding some ambiguity regarding online generation of PwD certificate. The process of online generation of PwD certificate is clarified as under:

- The PwD candidates are not required to register for certificate via online mode. No such registration link will be provided by MCC for candidates on MCC website.
- The PwD candidates have to report physically at the designated PwD NEET Disability Certification Centres for physical examination and quantification of their disability.
- The designated NEET Disability Certification Centres will generate the Disability certificates online through the portal mentioning the percentage of disability and whether the candidate is eligible to avail the benefit of PwD reservation or not.
- Hence, the candidates are not required to perform any activity online.
- Only those candidates who have been found eligible to avail PwD reservation by the certification centre will be shown choices for PwD seats at the time of counselling.
